CRANSTOUN

Empowering People, Empowering Change

Why Work for Cranstoun?

We think Cranstoun is a really great place to work

But don't just take our word for it. We're an Investors in People GOLD employer, which means that our 450 highly skilled and courageous employees and volunteers also think that Cranstoun is a great place to work. We're proud that 97% of the people that we support think that our staff are friendly and approachable.

We know it's more than 'just a job'

Our team members are here for others, impassioned to empower people to live a better life. And we're here for them, to give them something back for the difference that they make.

We get it right

Good pay, good benefits and the support and inspiration to help you to achieve your full potential. You look after others, and we look after you. We create a positive working environment where you are supported to succeed, empowered to have a voice and unleashed to work towards our shared goals.

Be inspired

If you are motivated by our ambition, check out our jobs pages to see what opportunities are there for you.

So... what are you waiting for?

Free online Drug and Alcohol awareness courses for people living and working in Northamptonshire

Our Healthy Futures project is an integral member of Northamptonshire's treatment services. We deliver drug and alcohol awareness training to frontline workers and volunteers who have contact with people potentially at risk from their use of drugs and alcohol.

Find out more:

- Increase your awareness of drugs, medicines and alcohol, including prescription and over the counter medication
- Explore the potential risks of alcohol and calculate units
- Recognise the impacts on individuals and the community
- Improve confidence and skills in discussing substance use
- Be knowledgeable about local agencies and referrals

To book your place, log onto www.aquariusnorthants.eventbrite.co.uk

Would you like us to run a session for your group? To find out more contact us at northamptonshire@aquarius.org.uk

Our Aquarius Life team provide training for businesses at a competitive rate, contact them at aquariuslife@aquarius.org.uk

ASPINDEN CARE HOME

Aspinden Care Home is a CQC registered specialist residential service supporting those individuals that are living with the effects of long-term alcohol misuse and/or addiction, are resistant to change, and exhibit behaviours that challenge other services.

"Coming to Aspinden Care Home saved my life. If I hadn't been sent there, I would not have made it to Christmas."

We provide an environment that enables our residents to:

- Manage their alcohol intake
- Better manage their safety, health and wellbeing
- Build and develop personal resilience
- Develop positive social relationships
- Spend time with their families and important others
- Prepare for independent living or move on, if that is their goal
- Benefit from long term care and support where they are living with Alcohol Brain Damage
- Benefit from short-stay respite and refresher stays

humankind®

for fair chances

Take the next step on your career journey with Humankind

Humankind is looking for people like you to help us make a difference and create fair chances for all.

We've grown rapidly over the last two years and, as a result of new Government funding, we're recruiting for a variety of roles across the country including Recovery Coordinators, Young People and Family Workers, Criminal Justice Coordinators, clinical positions and corporate service roles.

- Generous annual leave allowance that starts at 27 days plus bank holidays and increases to 32 days after a year's service
- Personalised learning and development plans, training opportunities and career pathways to help you progress
- A company pension plan with enhanced employer contribution
- Flexible and family-friendly policies to support work life balance
- Enhanced occupational sick pay
- Wellbeing and employee support programmes
- Competitive salary

Together, we can make a difference!

Unique opportunities available working in addictions and mental health in a beautiful country house setting.

**Are you a dynamic, committed and visionary counsellor or clinician?
Do you have experience in addictions and mental health?**

CLOUDS HOUSE residential detox treatment centre in Wiltshire is now looking for you to join their team at this life changing service.

CLOUDS HOUSE is an iconic grade II listed country house treatment and therapeutic recovery centre in Wiltshire, operating in the field of addictions since 1983. Clouds offers therapeutic recovery and treatment services for patients from both private and the state funded sectors. Clouds House is the preferred treatment service to support PHP (the Practitioners Health Programme) for doctors in need of accessing treatment and recovery. We are privileged to support Dr Clare Gerada's work with PHP.
