## Training and Development Directory Autumn 2012

**An organisation's greatest asset is the people who work for it. That's why training and workforce development are so important, to make sure staff are as good as they can be and provide clients the best service possible.**

With the updated DDN Training and Development Directory we have tried to make it as easy as possible to find the right trainer for you. Trainers are listed alphabetically with their websites, contact details and the areas that they specialise in. All details have been checked by the DDN team to make this update as accurate as possible.

We have also provided the opportunity for trainers to take out advanced listings to better explain the services they offer, and display advertising to fully promote their whole range of training. We are grateful to the organisations that have taken up these options – without their support we would be unable to fund the production of this free resource.

If you provide training in the substance misuse field and would like to promote your services in DDN, please contact me for more information.

Kind regards, *Ian Ralph*

## HAPPY BIRTHDAY KFx is 10!

Since we started working independently in September 2002 KFx has:

- \* Delivered more than 1000 training days \*
- \* Trained more than 16,000 workers and volunteers in the field \*
- \* Worked with more 400 individual organisations \*
- \* Provided a huge array of free drug resources via the KFx website \*

KFx would not have been able to do all this without the ongoing support of all the organisations who purchase training and consultancy from us. So from KFx a big **THANK YOU** to every organisation that supports this work.

Thanks also to the ongoing loyalty of purchasers, things are already busy in the months ahead. But there's still time to book any of our highly regarded training courses including:

- \* SAFER INJECTING AND NEEDLE EXCHANGE \*
- \* PERFORMANCE AND IMAGE ENHANCING DRUGS \*
- \* NOVEL PSYCHOACTIVES \*
- \* CANNABIS \*
- \* TRAINING THE TRAINER \*
- \* AND MANY, MANY MORE \*

There's plenty of reasons we are still going strong after ten years. To find out more about KFx and to book training please get in touch.

## Adfam

*Adfam is the national umbrella organisation working to improve the quality of life for families affected by drug and alcohol use.*

We have over 25 years' experience developing and delivering training and driving forward good policy and practice. Our aim is to equip professionals across all sectors who work with or come into contact with families, with the knowledge and skills they need to recognise family members affected by someone else's substance, misuse and to feel confident in providing or signposting to appropriate support.

Our courses have been delivered to people across a range of sectors including those working in family support services, treatment services, schools, healthcare, children's and adult services and criminal justice settings.

We offer courses at entry level as well as more in-depth courses to ensure that you feel equipped and confident to tackle issues you may come across in your daily work and to help ensure that family members are always in the picture.

All of our courses are also written to match to a range of National Occupational Standards, allowing you to build on your own professional development.

**View our calendar of open training courses at [www.adfam.org.uk/training](http://www.adfam.org.uk/training) for more information and detailed learning outcomes. Courses can also be commissioned to suit your training needs – email [training@adfam.org.uk](mailto:training@adfam.org.uk) or call 020 7555 7640.**

## Alcohol Concern

**Alcohol Concern**  
Making Sense of Alcohol

Alcohol Concern is the national agency on alcohol misuse campaigning for effective alcohol policy and improved services for people whose lives are affected by alcohol-related problems.

Since 2000 Alcohol Concern has delivered a variety of alcohol training and consultancy services to a range of clients including PCTs, local authorities and voluntary organisations.

Consultancy services are available to investigate and advise on measures to tackle alcohol-related harm, for example, by supporting PCTs and local authorities in carrying out alcohol needs assessments, local alcohol impact studies and developing local alcohol strategies. We also offer training and consultancy on alcohol issues in the workplace.

Our training courses include: • *Alcohol Awareness* • *Alcohol Identification and Brief Advice (IBA)* • *Alcohol in the Workplace* • *Alcohol and the Older Person* • *Alcohol and Young People* • *Managing Drunken Behaviour* • *The Family Training Programme* • *Working with Difficult to Engage Adults/Young People*

We offer these courses nationally, both as open courses or on an onsite basis. We would be happy to discuss any alcohol training needs you may have.

## David Finney Associates

Is your service prepared for unannounced inspection by CQC?

Do you need help in preparing action plans for CQC after inspection?

Do you need help in registering new services with CQC?

We have helped many services prepare successfully for registration and inspection and assisted others in addressing CQC concerns. We offer quality audits/"mock inspections", staff training and consultancy. Our reports have been used as evidence of quality monitoring for CQC. We have a unique experience of regulation in the treatment sector.

## Neil Hunt

Neil Hunt has worked extensively as a researcher, trainer and consultant both internationally and in the UK. His core values include advocacy for effective change based in the needs and perspectives of people who use drugs linked to a progressive, evidence-based approach. All training has an overarching development-orientation that aims to generate sustainable reductions in drug-related harms, while maximising people's health and well-being.

His newest training draws on recent European contracts to develop national programmes addressing novel psychoactive substances and encompasses prevention, harm reduction and treatment. This bespoke training is delivered in line with local needs and provided in collaboration, with Danny Morris and Michael Lawrence.

## NewLink Wales

**Training:** NewLink Wales is a voluntary sector organisation providing substance misuse training. We deliver a NOS mapped training programme and design and deliver bespoke courses for organisations. As an approved centre with City & Guilds, the Institute of Leadership and Management and Agored Cymru we deliver qualifications including the Diploma Level 3 in Health and Social Care, Level 3 in Community Justice, NVQ Level 3, 5 and 7 in Management and the Award/ Certificate in Working with Substance Misuse, amongst others. We provide the Award/Certificate in Employability and Personal Development aimed at service users and assessor and verifier qualifications.

**Volunteering:** NewLink Wales recruits, trains and places volunteers with agencies that work to support those affected by substance misuse. We have a NewSteps service user programme which works with clients still in treatment, through a buddy system, and a MILE (Mentoring In Learning & Education) programme for ex-service users who wish to volunteer.

**Black & Minority Ethnic Services:** Empowering individuals, families and groups who are in some way affected by substance misuse, through education and support, in a sensitive and culturally appropriate manner. It also provides services to young people.

Please email [info@newlinkwales.org.uk](mailto:info@newlinkwales.org.uk) for more details on the above, or visit our website [www.newlinkwales.org.uk](http://www.newlinkwales.org.uk)

## danny morris

dannymorris

danny morris has over twenty-five years experience in the field of drug use. He is an experienced freelance trainer, consultant, harm reductionist and writer specialising in approaches that advocate for constructive change and expansion of progressive and evidence-based interventions that reduce drug-related harms, enhance health, wellness and recovery and the maximizing of potential.

**danny morris drug training and consultancy** works collaboratively with service users, commissioners and providers to improve the service user journey and treatment experience, and facilitates team building and organisational development that supports the application of practice underpinned by integrated developmental approaches. Recent training addressing novel psychoactive substances and responses can be delivered in line with local needs and provided in collaboration with **Neil Hunt** and **Michael Lawrence**.

## Mosaic

**Established and trusted, nationwide –**

Founded in 1996, we have offices in London and Glasgow, and cover the whole of the UK.

**Tailored and focused –** We don't provide 'off the shelf' training. All of our courses are specifically constructed to suit the precise needs of your staff teams.

**Expertly delivered –** Our training consultants don't just know the theory. Overwhelmingly they are current or recent practitioners in their fields. **Cost effective in these difficult times –** Our training can work out at less than £40 per person per day.

## Pip Mason

- Does your organisation believe in offering clients evidence based counselling interventions delivered by empathic and skilled practitioners?
- Do you need quality training for those frontline staff?
- Do you want the option of motivational interviewing training at basic, intermediate and advanced levels?
- Do you want flexibility? You want to provide some training in-house, however at other times you'd like to send individuals away to open courses to learn alongside people from other agencies?
- Do you want learning materials for your team to reinforce the training?

**If so check out [www.pipmason.com](http://www.pipmason.com) for full details and online bookings.**

## SDS Ltd

**The Skills Development Service Ltd**  
Provides training courses approved by  
**The British Psychological Society**  
**Learning Centre**

SDS Ltd is a national organisation delivering high-quality psychological skills training in health, social services, education and counselling for over 20 years. We provide training throughout the UK to between 6,000 and 10,000 delegates a year. All our courses are available as open courses or in-house training. All our courses have CPD hours attached.

SDS Ltd offers a wide range of training topics on CBT (including the Master Practitioner Diploma in CBT), Motivational Interviewing, Solution-Focused Therapy, Clinical Supervision, Group Work and many other subjects relevant to everyday practice.

SDS tutors are chosen firstly and mostly for their professional qualifications, practical knowledge, experience and excellent communication skills.

Our training is informed, evidence-based and very practically focused, with a wide range of learning techniques – live and video demonstrations, group and pair exercises etc – and always delivered in an engaging way which leads to excellent evaluation and delegate feedback.

*Ring or email us for an informal chat about your needs, without any commitment.*

# SUBSTANCE ABUSE SUBTLE SCREENING INVENTORY

Psychometric screening which assists the practitioner in identifying and classifying substance misuse problems, even when the client is unaware of, or resistant to acknowledging relevant symptoms and issues. Adult and Adolescent versions available.

**SASSI**

The SASSI helps to:

- engage clients in cooperative exploration
- raise motivation and reduce defensiveness
- inform care planning
- justify expenditure by 3rd party payers
- provide objective evidence for external reports
- standardise assessments across agencies

*"The SASSI screening questionnaire is a good useful tool, especially helpful to break the ice with people who are hard to engage"*

*"...a reliable indicator of substance misuse and mental health issues"*

*"...the results are useful in terms of motivating our clients into change of a positive nature"*

Bespoke & flexible training sessions throughout the UK and Ireland  
For more information, or to book a training place, visit the website at [www.sassidirect.co.uk](http://www.sassidirect.co.uk) or telephone 0870 060 0363

## TREK TO THE SUMMIT OF SNOWDON IN AID OF PROSTATE CANCER RESEARCH ON 18TH AND 19TH MAY 2013.

In the UK more than 35,000 men are diagnosed with prostate cancer every year. Once again we need your help to find a cure for this terrible disease by taking part in the 6th running of the Snowdon500 challenge.

Over the weekend of Saturday 18th & Sunday 19th May over 500 people will be trekking to the top of the highest mountain in Wales to raise vital funds for the Prostate Cancer Research Centre. Register now to join them and be part of this spectacular event which has already raised over £750,000.

To register or find out more go to [www.snowdon500.co.uk](http://www.snowdon500.co.uk) or call 07446 534436 for an information pack.

If you would like more information about prostate cancer visit the Prostate Cancer Research Centre's website: [www.prostate-cancer-research.org.uk](http://www.prostate-cancer-research.org.uk)

## SUBSTANCE MISUSE OVER THE LIFESPAN

This exciting module will be available from January –April 2013. This module is delivered at a level 9 SQCF which is equivalent to year 3 undergraduate level.

The module considers:

- the impact of substance use for individuals, families and communities,
- explores the wider impact of substance use in society at local, national and international levels,
- taking account of cultural and geographic diversity, current policy and good practice guidelines.

This module will be delivered fully online using innovative technology to all access to other students and module team. This method of delivery allows flexible learning for all.

The module invites applicants from all social and health care practitioners who have an interest in developing their knowledge and skills in working with people and their families who use substances.

Diversity of background and prior experience reflects the ethos of the module.
